

NORDIC BREAST CANCER MEETING

21-22 SEPTEMBER 2026

SPONSOR OR EXHIBITOR?

In connection with Nordic Breast cancer meeting, an exhibition will be provided. This provides a unique opportunity to meet attendees and showcase your products. This meeting will gather clinicians in breast surgery, oncology, imaging, and pathology, as well as researchers working in translational breast cancer research from all Nordic countries.

Sponsors are given priority in selecting exhibition space

CONFERENCE VENUE

A House Hagastaden, Stockholm

REGISTRATION & FURTHER INFORMATION

Registration for sponsorship and exhibition is available via the website:

nordicbreastcancermeeting.com

ADDITIONAL INFORMATION

The exhibition serves as the central hub of the conference. All coffee breaks and lunches are integrated into the exhibition area to maximize interaction between exhibitors and participants.

MKON manages all inquiries and administration related to sponsorship and exhibition.
