NSGE
Nordic Society on Gynaecological Endoscopy

NCGE 2027

Preliminary Scientific Programme

The Nordic approach to future surgery

Thursday, May 20th	
08:00-18:00	**Registration**
08:00-08:10	Welcome and Opening Ceremony Presidential welcome: Anna Kraen, S
08:15-9:45	*Endometriosis - Pushing the frontiers* *Chair: Martin Rudnicki DK, Said Makari S*
08:15-8:45	*The treatment of endometriosis – is there still a need for surgery?* *Future aspects of medication – Christian Becker, GB* *Future need for surgery? Mohamed Mabrouk, GB*
08:45-8:55	*Discussion*
8:55-9:15	*Unravelling the biology of endometriosis. Marie-Madeleine Dolmans, B*
9.15-9:30	*New options to diagnose endometriosis. Mats Olofsson, S*
9:30-9:50	*Superficial endometriosis. How to detect and implications. Brunella Zizolfi, I*
09:45-10:30	**Coffee break**
10:30-11:00	**Sponsored symposium**
11:00-12:30	Endometriosis surgery Chair: Dorthe Hartwell DK, Jenny Alvirovic N
11:00-11:30	*Surgical management of endometriosis. Horace Roman, F*
11:30-11:50	*Ureterolysis in endometriosis. Mohamed Mabrouk, GB*
11:50-12:10	Endometrioma - when and how to treat. Guri Majak, N
12:10- 12:30	*ICG guided and AI assisted gynecological surgery. Helder Ferreira, P*
12:30-13:30	**Lunch**
13:30-14:00	**Sponsored symposium**
14:00-15:15	Fibroids Chair: Gundy Johnsdottir IS, Jaana Seikkula, FIN
14:00-15:00	*Minimal invasive treatment of fibroids:* *Short introduction (15 min) from each speaker regarding efficacy, complications, impact on fertility* *§ Surgery hysteroscopy. Attilio Di Spiezio Sardo, I* *§ Surgery laparoscopy/robotic Martin Rudnicki, DK* *§ Microwave ablation/Radiofrequency ablation. Klara Hasselrot, S* *§ HIFU treatment. Kirsi Joronen, FIN*
15:00-15:15	*Discussion*
15:15-15:45	**Coffee break**
15:45-16:30	Education Chair: Henrik Michelsen-Wahl, Asgeir Thoroddsen IS
15:45-16:00	*Early robotic training. Shaheen Khazali, GB*
16:00-16:15	*OR Black box capturing the surgical experience. Jacob Brink Lauersen, DK*
16:15-16:30	*Systematic training program for laparoscopic hysterectomy. Jeanne Goderstad, N*
17:30-19:30	**Get together**

NCGE 2027

Preliminary Scientific Programme

The Nordic approach to future surgery

Friday, May 21th

08:00 - 18:00	**Registration**
07:30-8:15	Fight for your life -run.
08:30-9:00	**Sponsored symposium**
09:00-10:00	*Isthmocele* Chair: Dorthe Hartwell DK, Bjarne R Kristensen DK
09:00-9:20	*Isthmocele –hysteroscopic approach. Brunella Zizolfi, I*
09:20-9:40	*Surgical technique for laparoscopic niche repair. Robert De Leeuw, NL*
09:40-10:00	*Reproductive outcome following Isthmocele repair. Robert De Leeuw, NL*
10:00-10:30	**Coffee break**
10:30-12:00	Intrauterine surgery: Hot topics Chair: Said Makari S, Anna Kraen S
10:30-11:00	*Hysteroscopic in premenopausal women. Ursula Catena, I* *Hysteroscopic in postmenopausal women. Attilio Di Spiezio Sardo, I*
11:00-10:10	*Discussion*
10:10-11:30	*Endometrial ablation/resection -technique and complications. Jan Willem van der Steeg, NL*
11:30-11:50	*Intrauterine adhesion – how to treat. Ursula Catena, I*
11:50-12:10	*Placental residual following pregnancy. Huib van Vliet, NL*
12:10-12:40	**Symposium**
12:40-13:40	**Lunch**
13:40- 14:50	How to improve your surgical skills in respect to hysterectomy Chair: Jenny Alvirovic N, Bjarne R Kristensen DK
13:40-14:00	*Hysterectomy – the best surgical technique. Helder Ferreira, P*
14:00-14:20	*Tips and trics in case of a big uterus. Pernille Husted, DK*
14:20-14:40	*Tips and trics to protect ovarial tissue in case of ovarian cyst. Guri Majak, N*
14:40-15:10	**Coffee**
15:10-16:10	Vaginal vault repair Chair Martin Rudnicki, DK
15:10-15:30	*The optimal surgical procedure for vaginal vault prolapse. Niels Klarskov, DK*
15:30-15:50	*Apical robotic/laparoscopic repair. Edward Morcos, S*
15:50-16:10	*Removal of retropubic TVTs by combined laparoscopic and vaginal approach, what are the outcome Rune Svenningsen, N*
19:00	**Dinner**

NCGE 2027

Preliminary Scientific Programme

The Nordic approach to future surgery

Saturday, May 22th	
08:30-9:15	**NSGE General Assembly**
09:30-9:45	Presidential Address
09:45-10:45	*Educational Video presentation (case presentation and video 4 min)* *7 min to each followed by 3 min discussion* *Chair: Gudny Jonsdottir IS, Jaana Seikkula FIN*
09:45-10:45	*Isthmocele* — *Attilio Di Spiezio Sardo, I* *Salpingotomi* — *Henrik Michealsen- Wahl, S* *Hysteroscopy – septum resection* — *Brunella Zizolfi, I* *Hysteroscopy type 2 myoma.* — *Ursula Catena, I* *Peritoneal resection* — *Jenny Alvirovic, N* *Cerclage.* — *Vibeke Lysdal, DK*
10:45-11:15	**Coffee break**
11:15-12:15	Reproductive surgery Chair: Henrik Michelsen-Wahl S, Asgeir Thorddsen, IS
11:15-11:35	How to preserve fertility in case of adnexal mass not endometriosis. Emir Henic, S
11:35-12:00	Step by step ultrasound scanning for endometriosis. A guidance for ultrasound assessment before surgery. Sara Alson, S
12:00	Closing Ceremony **Awarding the best abstract/movie/poster** **Next congress 2029**
