

17th Nordic Congress on Breast Cancer Stockholm 18-20 September 2026

Swedish Breast Cancer Association warmly welcomes you to 17th Nordic Congress on Breast Cancer 2026

Every second year, patient organizations from across the Nordic countries come together for a unique congress where the patient perspective leads the way. In 2026, Swedish breast cancer association is proud to host the 17th edition of the Nordic Congress on Breast Cancer. A gathering that inspires, empowers, and drives progress for everyone affected by breast cancer.

This congress is much more than a meeting. It is a vibrant hub for sharing insights, building knowledge, and strengthening the voice of patients throughout the Nordic region. Here, participants explore the latest developments in breast cancer care, exchange experiences from everyday life with breast cancer, and shape visions for the future.

In connection with **Nordic Congress on Breast Cancer 2026**, an exhibition will be organized with space for approximately 10 sponsors/exhibitors. This provides a unique opportunity to meet and demonstrate products to conference participants.

The target audience is patient representatives from the Nordic countries—Norway, Denmark, Finland, Iceland, the Faroe Islands, and Sweden. We will also invite a small number of representatives from our European partner organization, Europa Donna. We expect a maximum of 140 participants. The conference language is English. As a sponsor or exhibitor, you are offered a range of excellent benefits.

VENUE

Clarion Hotel Sign

MORE INFORMATION

ADDITIONAL INFORMATION

The meeting will be held at Clarion Hotel Sign with the focus on in-person networking — the exhibition is the hub of the conference, and the conference hall is directly connected to the exhibition area. All coffee breaks during the meeting are integrated into the exhibition to maximize opportunities for exhibitors to meet participants.

MKON handles all questions and administration regarding sponsorships and exhibitions.
